IMPACT TRIPS

SIERRA LEONE

Based in Mokanji, MissionGO serves the community with a medical clinic, a clean water program, a Christian high school, informal theological training, and a program for at-risk girls. A furnished guest house with American missionaries and national hosts on site will make this missions internship experience one to remember. It is a great service opportunity. Inquire about how you can help!

DOMINICAN REPUBLIC

“Ministerio Esperanza y Gozo” (Hope and Joy Ministry) serves as a safe place for children in Santiago to hang out, learn about Jesus, and receive help for various tangible needs. Individuals and teams are invited to partner with this ministry to provide Biblical education, children’s activities, and food to the community.

CURAÇAO

In Willemstad, on the island of Curaçao, teams and individuals have the opportunity to provide hope, Biblical education, and children’s activities. There are numerous ministries that need support—praying with people, sharing about Jesus, and helping those with tangible needs. There is also a need for tradespeople to serve on site and in the community.

BUFFALO, New York

Buffalo, the home of MissionGO’s international office, is a destination for immigrants (refugees) from all over the globe. While spending a week in Buffalo, you will be able to come alongside many ministries serving these sweet refugees, as well as people from many nations. Likewise, inner-city ministry serving homeless men and women is a great opportunity! Low-income community outreach can also be a key ministry for your team. You will even be able to visit Niagara Falls.

QUEBEC, Canada

For many in the town of Chateauguay, a community youth center has become their “haven.” Join in this relational ministry where people, even beyond youth age, come to be spiritually and emotionally nourished, guided, and loved. A crisis pregnancy center helps to meet practical needs. English is fluently spoken, and any skill set is welcome, such as carpentry, painting, sorting donated clothing, etc.

ESL

Be a witness for Christ teaching English in Africa and the Dominican Republic.
