

COME AND EXPERIENCE!

THE COUNTRY

Although the main focus of your Gap Year is to grow in God, you will have the opportunity to experience some of Costa Rica's beautiful beaches, waterfalls, and volcanoes!

THE WILDLIFE

The rainforests of Costa Rica are home to a diverse population of wildlife! Whether you are on the beaches, in the mountains, or whale watching at sea, there is always something to discover in Costa Rica!

THE FOOD

Due to the abundance of rich volcanic soil, fresh fruit and vegetables are always accessible. Enjoy a wide variety of fruit smoothies while you dig into new smells, tastes, and textures as you experience the culinary diversity of Costa Rica.

Each Gap year is different, and trips are always subject to change.

SEPTEMBER-APRIL

Biblical Courses

Our experienced teachers help the students to not only learn about the Bible, but also equip them to know how to understand it and make decisions according to what it says.

Visit atlasabroad.org to see the full list of classes.

Discipleship

Students are taught about discipleship in their classes, and they are equipped with the tools that are needed to make disciples.

Spanish Classes

Spanish classes are taught by professional language teachers. There are many opportunities for students to practice speaking and listening outside of the classroom.

Excursions

Hiking in the rain forests, observing the wildlife, visiting the beaches, swimming in the hot springs, and seeing the volcanoes are all part of the Gap Year experience!

Hands-on Ministry

Students have the privilege to serve God and others each weekend when they help with ministries and attend church services.
