

Russia:

In **RUSSIA** we work with a missionary medical **doctor** and have a **nurse** and **pastor** who participate in Project Hope's outreach to Siberia and the Arctic Circle.

Ukraine:

Career missionaries willing to learn the language to **evangelize and disciple** Ukrainian and Russian people.

United Kingdom:

Opportunities for dedicated workers in the UK - **pastors** to fill vacant churches, youth workers, **evangelists**, and **church planters** to minister in cross cultural settings

CAREER ENCOUNTER OPPORTUNITIES 2007

The harvest truly is plentiful, but the laborers are few. Therefore pray to the Lord of the harvest to send out laborers into His harvest. Matthew 9:36 NKJV

Career Opportunities Encounter Opportunities

The Encounter program runs from 12 to 36 months and is a practical ministry **internship** with on the job training and a realistic view of mission life.

Africa:

● Republic of Congo

The Pioneer Christian Hospital in Impfondo has a critical need for the following French speaking missionary personnel.

Medical General Surgeon, Primary Care Physician, Missionary Nurses (RN, NP or PA), Obstetric Nurses/Midwives, Pharmacist or Pharmacy assistant.

Administrative Purchasing /Business Agent, Construction/Maintenance Director.

We need people who have completed their training and have relevant experience. Must be willing to raise their own support, speak French and/or Lingala, and work closely & patiently with co-workers from diverse backgrounds.

Sierra Leone:

Medical clinic needs a **doctor, nurses**, a **dentist**. Any skilled **medical professionals** are needed to provide on going medical and dental care. Term – 1, 2 or 3 years or career

Host Couple – Our centre requires a couple with the gift of hospitality to host short term teams, short term missionaries and visitors to the field. Administration skills would be helpful

South Africa:

We have a **pilot/mechanic** and a **nurse** involved in medical air transport and visitation ministry needing help.

Alaska:

Global Outreach Mission requires workers to help staff the **Crossroads Medical Center**.

Australia:

There is a need for workers who can **evangelize and disciple** Turkish and Kurdish refugees, in the Melbourne area. The gift of **hospitality** is needed.

Someone to help in **radio work**.

Belgium:

Career missionaries are needed for **evangelism and church planting**.

Belize:

Medical workers are needed for prison ministry and **dentists** for a dental clinic. We are hoping to build a second clinic in the South, either at Independence or Punta Gorda. Punta Gorda is the site where we have started a new Christian radio station. Finally, we are helping in the **health care** delivery to 1000 prisoners at the Hattieville **prison** near Belize City.

A couple with the gift of hospitality to host short term workers and teams. Experienced radio operators for the new station. Pastors to train national pastors with little biblical background

Bolivia:

In Bolivia we have a doctor of chiropractic working with three orphanages, and conducting mobile clinics in remote villages. This work is done with the assistance of other medical personnel. At the children's homes in the Santa Cruz area we need career workers to help with **medical work, community development and evangelism**.

There is an English speaking church in the Santa Cruz area that is in need of a **pastor**. The services are in English. This is a support raising situation.

France:

Voice of the Gospel requires a **director for radio and literature ministry** in southern France.

New workers are needed to replace aging and retiring missionaries to be involved in **evangelism, market ministry, literature distribution, pastoring churches and church planting**.

Host Couple is needed for a retreat Bible Center in Maubourquet (Hautes Pyrénées)

Germany:

Opportunities for ministry are unlimited - church planting, camp work, teaching in short term bible schools, children's ministry, working alongside national churches, personal evangelism and literature distribution.

Guatemala:

Guatemala City

America Latina - a national Christian ministry operating 5 schools and 5 medical clinics has opportunities for **teachers** to teach English.

A Systems Administrator is needed to run a Linux computer system. Knowledge of Mac computers, PBX phone system Spanish would be helpful but not absolutely essential.

Chief Financial Officer - knowledge of accounting procedures to set up bookkeeping system. Knowledge of Spanish is essential.

Peten

A **medical doctor** is urgently needed in the Peten area. There is a new clinic set up and running in San Benito. A knowledge of Spanish is needed.

Haiti

Encounter candidates are encouraged for evangelism, church planting, teaching, children and youth ministry.

Career Missionaries are needed to **evangelize, to do bible teaching and to train nationals** in church planting.

Honduras

Christian **medical/dental** personnel with a knowledge of Spanish for both short term and career assignments in clinic settings.

A hospital requires **medical professionals, doctors, nurses, dentist** for both short and long term assignments.

Teachers to provide biblical training for pastors and Christian workers, elementary school teachers to teach basic subjects and basic hygiene.

We have a need for a **Spanish speaker** who can coordinate an English as a Second Language program for Honduran professionals in order to do friendship evangelism.

India

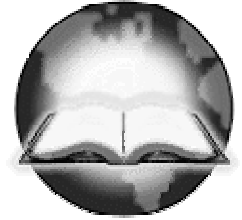

Opportunities for ministry are varied—church planting, radio broadcasting, team evangelism, youth and children's ministry, **bible teachers** for training centers, **medical personnel** to work alongside national doctors, **pastoral ministry** in church settings

In **INDIA and NEPAL** GHS has worked with Project Christ International in medical camps among the tribals, in evangelism and for the training of pastors.

Ireland

Interns in the **Encounter** program for one year of cross cultural experience.

Career minded missionaries to serve alongside churches in **evangelism and pastoral care**.

Mexico:

Aguascalientes

Teachers for the Christian school.

Monclova

Spanish speaking **children's workers** for the orphanage in this center.

Pachuca

Bible School **teacher** fluent in Spanish for the Walter Gomez Evangelical Center.

Netherlands Antilles

Curacao

Christian **counselors** are needed to work alongside our missionary. There is a special need for counselors of men

Paraguay:

Career Missionaries are needed to help **plant churches and disciple** national believers in the least evangelized area of Paraguay.

Teacher also needed for MK's.
