

September 2011

Dear Friend,

This is an exciting announcement – and it affords us a way to fulfill our original goal established many years ago – **BLESSING THE CHURCH AT HOME WHILE BUILDING THE CHURCH ABROAD!**

Effective September 1, 2011, American Mission for Opening Churches/Niagara Bible Conference (AMOC/NBC) will merge with Global Outreach Mission!

AMOC has been opening churches in North America for 69 years. NBC, on the shores of Lake Ontario, has a rich history. The site has a summer camp ministry for all ages.

The Chairman of the Board for Niagara Bible Conference said:

"We have prayed long and hard about the best way to ensure an effective future for these wonderful conference grounds where so many have found Christ and have been strengthened in their faith. We have known Global Outreach Mission for many years and knew they represented the heart for ministry for which we were looking. What a joy it was to meet with them – see their interest – and then come to this decision."

I am also pleased to announce that Tom Broderick, who has served as Chief Executive Officer of Niagara Bible Conference, will join Global Outreach Mission and will lead the Bible Conference and Camp Ministry.

Niagara Bible Conference, which you may already know, is located in Olcott, NY – 35 miles from Niagara Falls, and a short drive from Buffalo and our International Headquarters. We plan to continue the present programs and expand others - particularly the camps for youth, and the Sunday evening community services.

For some time we have recognized the need for a place to accomplish three very important purposes:

1. Training of short-term and career missionaries so they can effectively minister in the country to which God has called them, and to assist them in preparing to raise the financial and prayer support they need to get started.
2. There are many occasions when our missionaries need a place to stay when they return for home assignment – for physical rest – medical treatment – spiritual rest – counsel – and sometimes – restoration.
3. Provide a facility to receive and ship third world relief and ministry supplies overseas.

Niagara Bible Conference is just the right place for all of this and more. It is near our office in Buffalo – it is a pleasant and restful place – and there are many churches and Christian families in the area who are willing to help.

Having just returned from a very exciting and productive trip to Sierra Leone, where I visited our new church plants, I can see how this new facility the Lord has provided will allow us to have an impact here at home, as well as plant churches worldwide. We will be blessing the church at home while building the church abroad. I will be sharing all that the Lord is doing in Sierra Leone in a future letter.

The outreach of the American Mission for Opening Churches is something I am personally interested in because planting churches is at the heart of all we do around the world. We will now be able to plant churches all over North America! Pray with us as we integrate these ministries.

We have established a *NIAGARA/2012 FUND* and your gift will go entirely for this purpose.

Now, as we assume this responsibility, I do need your help. Your gift right now to NIAGARA/2012 is so important. It will allow us to:

- Plant churches here in North America.
- Plan for our next Missions Conference – Summer 2012.
- Prepare for the Niagara Adventure Camps – Summer 2012.
- Continue to provide the Sunday evening community services.
- Update a number of the buildings.
- Sponsor special needs children to Bible camp.
- Start a Hispanic ministry to migrant workers.
- Provide training for lay leaders.

There is much to do – but it is a welcome challenge. We are anxious to build on the foundation that has been laid by those who have led the Niagara Bible Conference for these many years. I wish Dr. James Blackwood was here to be a part of this. For many years he planned our Conferences in June, and he so much looked forward to coming to this beautiful place.

Please join me now – be a part of NIAGARA/2012 – let's work together to make this a place of ministry, rest and restoration – and outreach around the world!

Sincerely in His matchless name,

Brian M. Albrecht
