

## OUR FUTURE

At AWFM, we are constantly seeking through the guidance of the Holy Spirit new, creative, and innovative ways to reach the lost throughout the Arab world and beyond. Projects like The Owara Oasis will allow us to reach the Bedouin communities further. God has provided us with five acres of land in a Bedouin community, and we now have active plans to build a center dedicated to serving them and making disciples. The center will include:

- *Veterinary Clinic*
- *Handicap rehabilitation*
- *Women and child development areas handcrafted for women to earn income*
- *Aquaponic farm*
- *Vocational training*
- *After-school program teaching math, English, & computer skills*
- *Hot meals for children*
- *Children's Club and playground*

## ARAB WORLD FOLLOW-UP MISSION

*Bringing the Gospel  
Back to the Arab World*

## OUR OPERATIONS

Our ministry focuses on working with existing local churches to fulfill the Lord's Great Commission through equipping, teaching, evangelism, mentorship, and discipleship. As new disciples are made, discipleship groups are formed, which grow into new house churches or join existing churches.

### *Reaching Our Neighbors*

The unsaved in our neighborhoods, workplaces, schools, and marketplaces are reached with the gospel in traditional, creative, and innovative ways.

### *Reaching the Next Generations*

With 42% of the Arab world's population under age 20, we at AWFM knew we must focus considerable efforts on this vital segment. Our philosophy is to foster a generation that will know and love God with all their hearts, souls, and strength and be able to contribute to the fulfillment of God's will on earth through the help of the Holy Spirit.

### *Reaching the Outsider*

There are many minority groups in the Arab world that we want to reach with the Gospel message. Reaching ethnic groups in the Arab world, such as the Bedouins, Gypsies, Druze, Kurds, and Alawites and more has required the use of many creative methods.

### *Reaching the Suffering*

In cooperation with local churches and through generous supporters, AWFM offers help such as Food parcels, Medical services, Employment opportunities, Laundry facilities, And much more

### *Making Disciple Makers*

Our goal is to create new believers and true disciples who become disciple-makers in time. We do this through dedicated time poured into the lives of new believers to develop and foster relationships, establish home groups, and institute a strategic, staged 3-year discipleship plan.

## OUR VISION

To mobilize Arabs to reach the people in their own countries throughout the Arab world. This includes reaching every home and tent with the Gospel and **discipling every man, women and child** through personal relationship, church planting, and leadership development. All this is done in cooperation with the local churches, strengthening those communities.

## OUR HISTORY

Established in 1990, the AWFM is a non-denominational organization with more than 600 volunteers in numerous Arab countries, including Lebanon, Syria, Iraq, Jordan, the Arab Gulf states, North Africa, Turkey, Iran and beyond.

The AWFM is operated by a group of Arab Indigenous missionaries who believe the Lord has a great plan to save many souls in the Arab world by spreading the Gospel message in their own language.

With the Lord's help and the generosity of many agencies, churches, and individuals, we have distributed more than **6 million Bibles**, gospel tracts, and discipleship materials in the Arabic language.
